Learn & Earn Program Certification & Disclosure

Certification

By submitting Essential's Learn & Earn Redemption Form, you certify that all information provided is true, accurate, and complete. If any information is found to be inaccurate or cannot be verified, the reward may be denied, and any Learn & Earn rewards issued based on inaccurate information may be subject to forfeiture.

Program Eligibility & Rewards

The Learn & Earn Program is available to active Essential Credit Union members age 18 or younger who are enrolled in school and have an Essential Start Up Savings account. Approved rewards will be deposited directly into the student member's Essential Start Up Savings account. Members may earn \$5 for each 'A' or equivalent grade (such as A, S, or O), up to \$25 per semester. A report card containing an F or U is not eligible for a reward. Members may also qualify for a \$10 bonus for a GPA of 3.50 or higher. Total rewards are limited to \$50 per calendar year and \$500 over the member's lifetime membership.

Special Note for Members Under Age 13

Essential Credit Union complies with the Children's Online Privacy Protection Act (COPPA) and does not knowingly collect personal information online directly from children under age 13 without appropriate parental consent. If the student is 12 years old or younger, a parent or legal guardian must complete and submit the online redemption form on the student's behalf. Alternatively, the student and parent or guardian may visit any Essential Credit Union branch to submit the Learn & Earn redemption request in person.
